PROFILE

Creative Designer with 5+ years of experience across retail branding, jewelry designing, and print / digital production. Currently leading in-store branding, signage, and monthly offer leaflet design for Lulu International, Bengaluru — managing end-to-end creative output from concept to print-ready files. Recognized within the team as the go-to creative for retail campaign design. Skilled in Adobe Photoshop, Illustrator, After Effects, CorelDRAW, and 3D animation, with a strong eye for layout, brand consistency, and fast turnaround under deadline pressure.

WORK EXPERIENCE

Lulu International, Bengaluru
2025 - PRESENT

Creative Designer (Graphic Designer)

- Led end-to-end creative design for monthly offers leaflets and flyers across print and digital, from concept to final artwork/print-ready files.
- Designed newspaper print ads and other campaign creatives, ensuring strong brand consistency and high-quality execution.
- Collaborated closely with the marketing team to align creatives with Campaign timelines, messaging, and pricing updates—consistently delivering ahead of deadlines.

4K Digital Press, Mysuru
2023 - 2024

Manager & Album Designer

- Managed album design production for a professional photo lab, overseeing the design pipeline from client brief to final print.
- Coordinated directly with clients to translate requirements into final creative output, ensuring high client satisfaction.
- Supervised day-to-day production workflow, maintaining quality and turnaround standards.

Sri Ragavendra Jewelry Works, Mysuru
2016 - 2022

2D Jewelry Designing & CNC Handling

- Designed custom ring, logo, and pattern concepts in CorelDRAW, converting customer briefs into accurate 2D production-ready designs.
- Managed the end-to-end workflow from design finalization to CNC machine handling, including file preparation and machining execution for ring manufacturing.
- Coordinated with the shop team to ensure design accuracy, manufacturability, and timely delivery, maintaining consistent quality standards across orders.
